Homecoming

FALL CAMP MEETING 2017

SEPTEMBER 28-30

3ABN HOMECOMING: A BLESSING TO ALL

As we approach our 3ABN Homecoming, we can't wait to see all of you arriving for a weekend of blessings. Our fall camp meeting runs from September 28–30, and what a time of refreshing it will be!

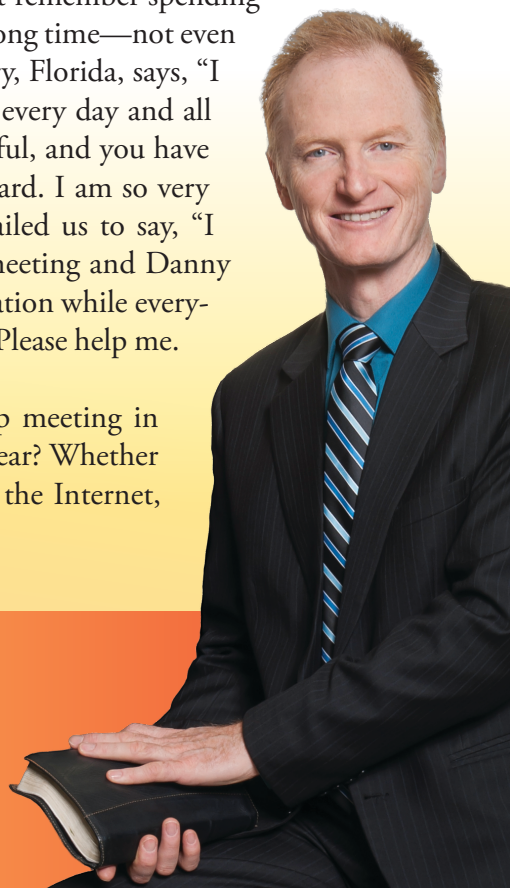

Our theme this year is, "Sacrifice: His and Ours," and our guest speaker will be Pastor John Bradshaw, speaker/director for the It Is Written television ministry. His warm presentation style has been an inspiration to many, and during his two decades of ministry, he has held more than 100 Bible-based lecture events spanning six continents.

We will also hear from many of your beloved 3ABN presenters, along with wonderful music, children's programs, and delicious free meals!

Those who have watched our camp meetings in the past describe their experiences with enthusiasm. A viewer in Mesa, Arizona, says, "Wow! You sure hit it out of the park with camp meeting again this year... All the speakers were so blessed and excellent, and I truly cannot remember spending that many hours in front of a TV in a very long time—not even with 3ABN!" Another viewer in Casselberry, Florida, says, "I have been watching 3ABN camp meeting every day and all I can say is wow! It has all been so wonderful, and you have the best speakers and sermons I've ever heard. I am so very proud of all of you." Another viewer emailed us to say, "I have been watching 3ABN spring camp meeting and Danny started talking about God's mercy and salvation while everyone was singing... I was in constant tears. Please help me. Please teach me more about Jesus."

If you've never attended a 3ABN camp meeting in person, why not make plans to do so this year? Whether you watch in person, or on TV, radio, or the Internet, you're in for a blessing! ☺

The Great Physician

The ongoing war between good and evil has left our world in great distress and pain, and the Great Physician, Jesus Christ, is the only hope for the recovery of humanity. Our 3ABN Blessing Is on the “GO!” Evangelistic Team members serve as His medical assistants, participating in the triage of casualties and ushering them into His presence.

Recently, a missionary doctor who is also a “GO!” Evangelistic Team member called to affirm this movement as the perfect prescription for recovery from the spiritual lethargy that has infected Christians. He said, “As people introduce others to the Great Physician and bring them to His feet, they draw closer to Him, as well.”

His point is well taken. God’s desire for His children’s involvement in the support of evangelism is as much for their own healing as it is for others. As we pattern our lives after His, He performs surgery on our souls—extracting selfishness and pride—and blessing us as we go.

You can partner with us to share this gospel to all four corners of the earth by becoming a monthly donor. Find out more here: <https://3abn.org/donations/get.html>

“Unvarnished truth must be spoken, in leaflets and pamphlets, and these must be scattered like the leaves of autumn.”

RADIO REACHES OUT IN MICHIGAN

We are convinced that God has ordained every broadcast medium to be used in proclaiming the three angels’ messages of Revelation 14 to the world, and the exciting reports coming from a large 3ABN Radio affiliate network in Michigan prove that radio works!

Strong Tower Radio operates both a television station and eleven radio stations, broadcasting a combination of 3ABN and local programming to a huge audience throughout Michigan and the Upper Peninsula.

Tom Mejeur works for them in production and marketing, and recently sent us these reports. “Pastor Jed Genson of the Manistique, McMillan Northwoods, and Sault Ste. Marie Seventh-day Adventist churches, sent us a first-person report. He told us that of the eight baptisms they had in 2016, seven were as a direct result of Strong Tower Radio. Pastor Genson wrote, ‘Our contacts were well grounded in the truth of the Scriptures after listening to the powerful preaching... and when we studied with them, each candidate was already prepared to make a full commitment and follow Christ in baptism. Thank you for your vision and dedication! Radio waves have enabled the

gospel to be shared in areas we cannot reach, and lives have been touched for eternity.’

“Then there’s Diane Kobor, in Gaylord, Michigan, who wrote us, saying, ‘Michelle walked in ten minutes before Sabbath School started, and said, ‘The Lord sent me here to this church!’ Evidently she’s been listening to Amazing Facts, and has already decided to stop her business on Sabbath and let work be done on Sunday! Another Strong Tower listener, who was baptized in 2015, signed her up for Bible studies on the spot, and Michelle plans to be back for Thursday’s study in Revelation!’”

Yes, the Lord is using every means possible to reach His children, and we are thrilled to work with ministries like Strong Tower Radio. God’s blessing and favor have been poured out abundantly, and their ministry has undergone tremendous expansion. Please pray for both 3ABN Radio and Strong Tower Radio as we seek to reach a lost and dying world with the gospel of Jesus Christ. ☺

3ABN CHANNELS NOW AVAILABLE IN THE U.K.

For the first time, all of 3ABN’s television channels can be seen on the Freeview system, the most watched digital TV service in the United Kingdom. In fact, Freeview’s website says that around 19 million people use their service for free!

Danny Shelton, 3ABN president and CEO recently explained how all this came about. “When we held meetings in London in 2016, we were thankful to reach a few thousand people,” he says. “But we asked the Lord, ‘How will we ever reach the masses in London and the UK?’”

Well, when Danny asked that question, the Lord already was working on the answer. In 2016, for the first time in history, the UK government granted permission for non-European companies to broadcast television signals in the United Kingdom. “This opportunity allowed us to reach three-quarters of all the homes in the UK!” Danny exclaims. “That’s a tremendous miracle, and is quite possibly one of the biggest miracles I’ve seen in 32 years of ministry.”

Moses Primo, 3ABN’s director of broadcasting and engineering explains how it works. “The Freeview system allows viewers throughout the UK to watch over-the-air signals, and many other channels, if they have Connected Freeview and an Internet signal. With Connected Freeview, viewers can watch more than 30 extra channels on Vision TV, channel 264—including 3ABN, 3ABN Dare to Dream, 3ABN Proclaim!, 3ABN Kids Network, 3ABN Latino, 3ABN Français, and 3ABN Russia. Additionally, if you download the VisionTV App from the App Store, you can watch all of 3ABN channels using any iOS or Android mobile phone, PC, or tablet.”

We praise the Lord for this new opportunity to spread the three angels’ messages of Revelation 14 to millions of viewers in the United Kingdom! ☺

Bud from Litchfield Park, Arizona: “Praise God for 3ABN’s spring camp meeting. What an amazingly anointed Sabbath today has been! I truly believe that all those in attendance, whether in person or through media have witnessed a historically pivotal moment in our Seventh-day Adventist Church. It is my sincere hope and prayer that our leadership will take this message to heart and prayerfully realign our church with the sound biblical principles presented today. Thank you all for making this Sabbath so incredibly special.”

Terry from Savannah, Georgia: “Thank you so much for the spring camp meeting series that you recently broadcast. Each program is a huge blessing, and I’m looking forward to when they come to YouTube, and even more when they are available to own. These are big subjects that

I really needed to hear about. A load of notes have been taken and are being guarded very carefully! God bless 3ABN and each and every one of you.”

Hazel via email: “My husband and I became members of the Seventh-day Adventist Church in 2011 after watching your programs. We just can’t get enough of the truth, since we’ve found it, and 3ABN is now about the only station we watch. May God continue to bless you as you take the message to the world.”

Vola via email: “My husband and I get 3ABN Proclaim! on our Roku box, which we purchased just so we could get your station. You have opened our eyes and made us know that Seventh-day Adventists are preaching truth. I know God is blessing this ministry.”

Louise from Ft. Walton Beach, Florida: “I just ordered Danny Shelton’s book, *Spiritual Vigilantes*. I listened to him talk about it during spring camp meeting, and I want to tell you that this camp meeting has been absolutely great. I watch on a mySDAtv box. The *3ABN Sabbath School Panel* is an awesome series, too, and every week’s program has become one of my favorites.”

Michelle from Crossville, Tennessee: “3ABN is such a blessing. I spend most of my time at home supporting my 80-year-old mother, and it’s a near impossibility for us to get out for church on Sabbath. Your programming provides us with the spiritual uplift we need to go on. The music programming you put on for Sabbath afternoon gave us a much needed blessing, too. Thank you for this, and may God bless you all.”
