“My husband and I love listening to your station (3ABN Radio Music Channel), especially on Friday nights.”

ELVIN | Letter

“My little wife is sleeping in Jesus, but our daughter Jill lives with me. . . . Danny’s song, ‘Mending Broken People,’ helped bring my daughter back to the church. She felt like she was one of those broken people. I’m so thankful for the wonderful work you’re doing.”

3ABN | radio Keeps Growing

Something exciting will be happening soon on our main campus! After 18 years of broadcasting, our 3ABN Radio studios will be moving from our original uplink building to a new home, right here in our world headquarters. “We are in the process of designing and finalizing the plans, and soon construction will begin,” says 3ABN Radio general manager, Jay Christian. “Our plans call for two new studios, several edit bays, and offices for our staff.”

There are many advantages to the move. “We will have improved Internet connectivity, and since we’re bringing our current equipment over, there is no large equipment investment,” he explains. “Another advantage is that it’s much simpler to have a 3ABN television guest simply walk down the hall for a radio interview the same day. God is blessing 3ABN Radio, and in January alone, we added three new radio stations. We’re picking up full-power FM stations, as well!

“From the beginning, 3ABN Radio has been inspired by God to reach people around the world with His message of love and eternal life. The future beckons, challenges, and excites us; and we humbly request your prayers and support. Together we will introduce even more people to our loving God.”

“We praise God for our 3ABN ‘listening’ family, as well as our ‘viewing’ family!” says 3ABN vice president and general manager, Mollie Steenson. “3ABN Radio reaches souls in places our television signal never will, and we are so pleased to have this opportunity to very economically bring 3ABN Radio under our roof.”

EVANGELISTIC TEAM REPORT

TOGETHER, WE'RE REACHING VIEWERS AROUND THE WORLD!

Dear 3ABN Family,

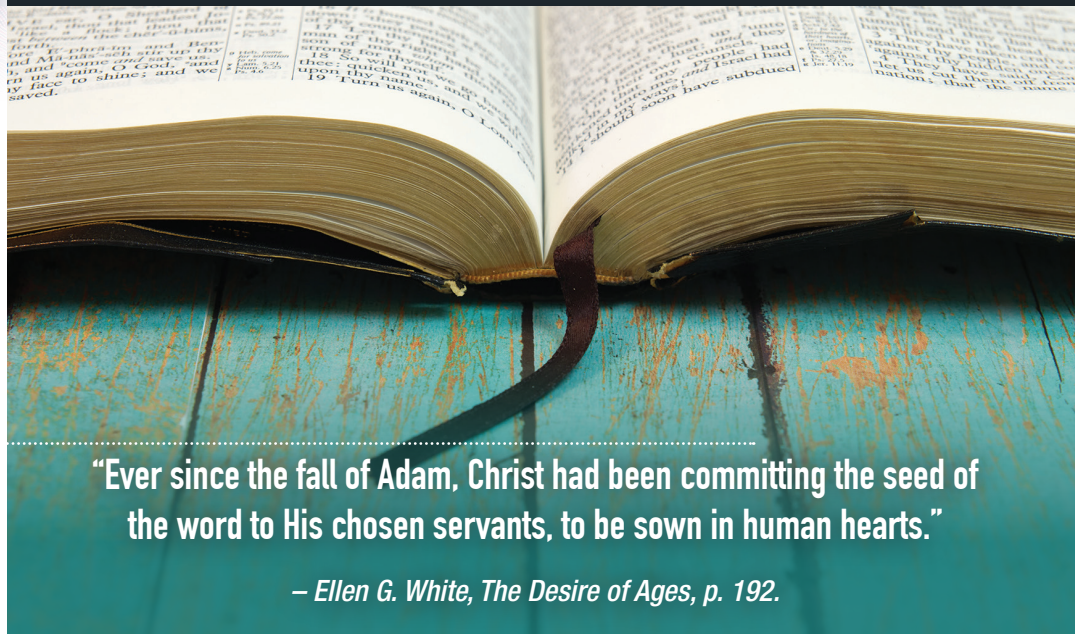

As I sat down to write this newsletter, I received a message on Facebook from a brother named Lonnie. This is what it said: “I love 3ABN because it has saved my life! Truly. I’ve gone through a deep trial, and for a long time I have fallen asleep many a night with 3ABN. I’m listening to it right now, as I write. I don’t know what I would do without God’s blessing in my life through 3ABN. I thank Him for His Word and for the blessings that have been bestowed upon me.”

Lonnie thanked everyone at 3ABN for being there for him, and I, in turn, want to thank you for being there for the Lonnies of this world. Without you, 3ABN would just be a dream; but through you, the three angels’ messages are beaming by satellite all around the world into hundreds of millions of homes!

As Seventh-day Adventist Christians, we know we only have a short time to finish the work of God on this earth. Please help us prayerfully and financially as we make 2017 our greatest soul-winning year ever for Jesus!

God bless.

Danny Shelton
3ABN President & CEO

“Ever since the fall of Adam, Christ had been committing the seed of the word to His chosen servants, to be sown in human hearts.”

— Ellen G. White, *The Desire of Ages*, p. 192.

WHAT IS THAT IN YOUR HAND?

When God called Moses to deliver His children from Egyptian bondage, Moses was reluctant to go before Pharaoh—arguing he was “slow of speech,” and not the man for the job. Can you relate to his hesitancy?

Then God asked Moses, “What is that in your hand?” and a simple shepherd’s rod became a sign of God’s persuasive power. No matter what our limitations are, God can use any tool we have in our hands for His glory.

A viewer in Michigan recently called to tell us how her bedridden husband is sharing God’s good news. Faithful donors to 3ABN for many years, this couple joined the “GO!” Evangelism Team last spring. Her husband delights in sharing the monthly resources received from 3ABN with his visitors, who review the material and later return it, so he can pass it along to someone else.

Evangelism is a lifestyle of sharing God’s love! It depends not on our ability, but on our availability to be used by God. What do you have in *your* hand? 🌐

“We are grateful to God for 3ABN. We feel that just as a hiker looks to the compass for direction, we can look to 3ABN for spiritual direction that is true to the Bible. May it remain that way as this world needs a spiritual compass. Your programs give hope, encouragement, correction given in love, as well as practical programs for our health and well-being. We pray God lead, guide and bless this ministry.”

FINDING TRUTH – MAHALIA'S SEARCH IS OVER!

Mahalia Turner, from Mt. Vernon, New York, says, "I have always wanted to be close to God, so I asked Him to open my spiritual eyes and ears to the truth. Then, as I was watching television one day, I just 'happened' to find 3ABN! I just wanted the truth, and I found it on 3ABN." After watching Pastor John Carter one day, she sent an e-mail stating how she desperately wanted to be baptized if he happened to be in the New York area. "Since he is in California, he forwarded that e-mail to me," says Jill Morikone, 3ABN's administrative assistant to the president, "and I contacted the New Rochelle Seventh-day Adventist Church and asked if Pastor Samuel Blair might call on her." Mahalia was thrilled. "I've visited many churches and never went back," she says. "But when I attended the New Rochelle church, I felt so comfortable. Our pastor is passionate about what he's speaking about, and my spirit feels wonderful!" On December 31, 2016, Mahalia was baptized and joined the Seventh-day Adventist Church. "I cannot thank 3ABN enough!" she exclaims. "This is the beginning of my dreams coming true." Welcome Mahalia! We love you, and we welcome you to your 3ABN family, too! ☺

Mahalia Turner's prayer for new truth was answered!

Have you had a hard time understanding the book of Revelation? Have you read it repeatedly but felt like you just couldn't connect the dots? If so, then this program is for you. Join hosts James Rafferty and Ivor Myers as they take a careful look at the themes and meaningful symbolism of this important book.

What Can I Do for You, Lord?

Seeking relevance, he found an opportunity

Gary Will, our newest video editor, says he'd always sought relevance, but had never found it because he always did things his own way. "However, when I stopped telling God what I was going to do for Him, and started asking, 'What can I do for You?' new opportunities to serve Him opened up. So in everything I do, I want others to see Him, and not me!"

Moving from a comfortable life in California to work for 3ABN in southern Illinois required a commitment and a sacrifice from his entire family. "This has been a faith

journey for all of us," he says, "and we're all learning to depend more deeply on God. I didn't come here for advancement; I came here for an opportunity to work for the Lord. My greatest hope is that someone who feels they've failed the Lord in their past may take courage from my experience and see that no matter what they've done, they can come back to Jesus and see His plan for their lives fulfilled!"

What a blessing the Will family has been to us, already! ☺

Gary and Tonya Will moved to southern Illinois recently with their children (L to R) Elizabeth (15), Gavin (8) and Aerabella (11). We're so happy to have them with us!

Lora, from Cleveland, Ohio: “I love your ministry. I have watched you since 1985. I was baptized in 2013 because of watching 3ABN. Through the years, I’ve followed the Sabbath. I have sisters who are Seventh-day Adventists and also give me books to read about the Sabbath. You are always in my prayers.”

Richard, from Wausau, Wisconsin: “Thank you for your great programs. You are a godsend to me. I’ve had much joy from watching 3ABN and other Seventh-day Adventist people on TV.”

Tickisha, from Benton Harbor, Michigan: “I watch 3ABN most of the time, and especially enjoy the Friday night worships, and the 3ABN Kids Network at times. However, I recently found the 3ABN Radio Music Channel. It plays all music, and encourages listeners with Scripture during the breaks, which encouraged me. . . . I think God specifically wanted me to know about it because I enjoy Christian music.”

Kim, from Lake Havasu City, Arizona: “Thank you, each and everyone, for the amazing way you share Jesus around the world. My

husband and I call you our TV Friends. Your program brings peace from our anxious world and uplifts Jesus in our hearts each time we watch or listen to 3ABN.”

Isabel, from Carroll, Iowa: “I love all your TV programming. I leave it on all day. I’m 88 years young, and have had my share of pain, cancer, and arthritis so bad that I walk with a walker. . . . I believe, as you do, that keeping the Sabbath is the way to go. Keep me in your prayers, because there are no Seventh-day Adventist churches for many miles. I don’t drive anymore, so I always have to depend on someone to take me along on Sunday. I’m praying that someone will come and start a church here. I’m a mother of six children, 12 grandchildren, and 14 great-grandchildren. I live alone in my little apartment, and pray and sing to God every day. Blessings to all of you. I love you all in Jesus.”

Fred from Star, Idaho: “I am not a Seventh-day Adventist, but I have no doubt you are right about the Sabbath, so I keep it. May God continue to bless you.”
